

ITS BEEN 100 YEARS AND

A Trip Through the Past with the Farmer's State Bank

Remember When - - - - - ?

... in 1910 Mr. and Mrs. Andrew Larson and their children were pictured at their homestead near Hamill? Their children were Theodore, Marjorie, Dorothy and Belle. Several of the children can be seen playing in front of the house with the baby buggy. We received this fine picture of days way back-when from Mary E. Larson.
